 @ <https://github.com/PrabinsSapkota>  @ <https://www.linkedin.com/in/prabin-sapkota-22993a309/>

Passionate and dedicated web developer with hands-on experience in frontend development, foundational level backend and proficiency in various web technologies. Seeking an entry-level position to utilize my skills in HTML, CSS, JavaScript, NodeJS, database and frameworks to contribute to dynamic web projects and further develop my career.

## EDUCATION

---

Bachelor in Computer Engineering

Kathmandu

Advance College Of Engineering And Management

Jan, 2020 - Jan, 2024

During my Bachelor of Science in Computer Engineering, I gained a comprehensive understanding of both hardware and software aspects of computing systems. The course emphasized the design, development, and optimization of computer hardware and software systems.

## PROJECTS

---

### Personal Portfolio website

Developed a personal portfolio website using React.js and Tailwind CSS, showcasing my projects, skills, and experience. The project focused on responsive design, component-based architecture, and efficient styling techniques.
